This is a reprint of the author’s major edition of *Heraclitus* (Mérida, 1967), including fresh *Addenda et Corrigenda* and a Select Bibliography (1967–2000) along with corrections contained in the Italian edition of the book (Florence, 1978). Since *Heraclitus* 1967 was met with acclaim, its reprint has become a scholarly need.
