## *Erratum*

### **ERRATUM: FAMILY AGGREGATION AND RISK FACTORS OF OBSESSIVE-COMPULSIVE DISORDERS IN A NATIONWIDE THREE-GENERATION STUDY**

Hans-Christoph Steinhausen, M.D., Ph.D., D.M.Sc., Charlotte Bisgaard, M.Sc., Povl Munk-Jørgensen, M.D.,  
D.M.Sc., and Dorte Helenius, M.Sc.

The article to which this Erratum refers was published in *Depression and Anxiety* 30(12): 1177–1184 (10.1002/da.22163).

The sample description in our article contains an error by stating that all probands developed OCD

before the age of 18. All probands had been diagnosed for any child and adolescent disorder before the age of 18, whereas OCD could also have been diagnosed after the age of 18 during the observation time of the study.
